

The Lunardi Family is proud to be a part of your

Holiday Turkey Dinner

The Diestel Family has been making quality a tradition since 1949. We are proud to bring you the natural quality of a fully cooked Free Range Diestel turkey. Slowly roasted in our own ovens, all you need to do is heat to taste, serve and enjoy. Tender and juicy, your oven-roasted Diestel turkey will delight you and your family with that old-fashioned turkey flavor - a difference you will taste! Enjoy the ease of heat 'n' serve!

To enjoy a moist and tender turkey, just remove chilled bird from bag, and heat following these simple directions:

HEATING INSTRUCTIONS:

Leave nylon truss on legs. The truss is oven-safe and can withstand oven temperatures up to 450°F. Place in a roasting pan and heat at 325°F for approximately 1 to 1-1/2 hours for a 12-13 pound cooked turkey. We recommend heating until the internal temperature reaches 160°F. The turkey will brown naturally. Let stand for 15 minutes before carving.

THE PASTE OR RUB:

Before heating your turkey, spread exterior of turkey with a blend of your favorite herbs and spices or with paste made of the following: 4 tbsp olive oil, 2 tsp salt or to taste, 2 tsp garlic powder and 2 tsp paprika.

Place your order with the Deli Department of your local Lunardi's Market, in person or by phone before November 21st. When calling, ask for the Deli Department and have your credit card ready. See back side for store locations.

Enjoy!

Lunardi's
Quite Simply...the Best!

ORDER FROM OUR DELI

The Dinner Menu
